RELIGION

With the realization that man is both a temporal and spiritual being, Father Michael Ruggaber and his staff of dedicated teachers, both religious and lay, have devised a program of Religion classes that strive to educate the whole student. Classes stress the importance of God in daily life, personal morality in society, Christian marriage, and love for God and fellow man.

The Religion Department encourages and sponsors participation in volunteer programs. The Apostolic program and the Mission Club are an outgrowth of the students' determination to put into practice the principles of love that they have learned in Religion classes.

LIBRARY SERVICES

The library is the center of activity at Noll.

Mr. Edward Miller, Mrs. Kathryn Berkowicz, and Sister Nazareth Drummey, C.S.C. assist students with research projects and with the choice of reading materials for personal enrichment and enjoyment.

Student library aides, under the direction of Mr. Miller, receive a valuable background in library science. The students perform an important service to the faculty by delivering and servicing materials and equipment from the library Audio-visual center. The aides also deliver materials from the English department's paperback library which is stored in the library. All of these services in addition to its use as a study center for students and teachers make the library the busiest place in the school.

ENGLISH

English is the largest department at Bishop Noll. Under the direction of Mrs. Carolann Biel, a staff of dedicated teachers guides students through courses in basic English and Speech, advanced studies, and enrichment programs in writing and literature.

In addition to the use of general textbooks, an extensive paperback library, and a wealth of audio-visual equipment, the department also uses excellent movies to complement an exciting program.

A progressive attitude in the department is demonstrated by the addition of classes in *Modern Drama and Playwriting* and *Publications and Photography*. These courses are offered as electives on the Junior and Senior levels.

LANGUAGE

The Foreign Language Department offers basic two-year programs in German and Latin, and a four-year program in both Spanish and French. In Language classes students are exposed to the cultures, the histories—even the cooking of cultures other than their own.

A variety of activities which made taking a language exciting this past year included trips to Montreal and Quebec, and a visit to an art museum and French restaurant. Students made *pinatas* and an authentic French dinner.

SCIENCE

Under the guidance of Mr. Walter Pikul, the B.N.I. Science Department introduces the basic principles of the sciences and learning through direct observation.

Students explore the horizons of science through classroom and laboratory work. Biology opens the world of Science to Sophomores. Juniors advance to Chemistry and learn the meaning of hard work. Seniors have the options of study in Chemistry, Advanced chemistry, or Physics classes, where the relationship between matter and energy are pondered. Upon graduation, the student will have a broader understanding of the miracle of life and matter.

SENIOR SEMINAR

Senior Seminar was established this year at B.N.I. as a unique program combining theory taught in the classroom with actual field experience at different volunteer agencies, to form a kind of laboratory for human relations. Students try to apply insight gained from their English, Religion, and Sociology courses to problems they meet in their work with the physically and mentally handicapped, the emotionally disturbed and the aged.

The Federal Government is funding the program at Bishop Noll, in an effort to arouse the interest of other schools in establishing similar seminars.

HOME ARTS

After completing courses in Home Arts, Noll students are experts in nutrition, cooking, and sewing.

In the cooking classes taught by Mrs. Sally Evanoff, students learn basic nutrition and complete practical cooking assignments. No convenience foods here! Tacos, Swedish meatballs, and roast turkey, as well as every-day favorites are made from scratch. This year, the boys at Noll have set out to prove the axiom that men make the best cooks.

Sister Marjorie's sewing classes introduce the girls to different techniques of handling simple and detailed patterns. In addition to working on four new Singer sewing machines, the students show their dexterity with knitting needles and other "primitive" instruments.

Freshmen Armandia Sahagon and Kathy Pieraze demonstrate knitting skill.

MARQUETTE

The dedicated group of students who make up the Marquette staff have worked long, late, and hard to produce the biggest yearbook ever published at Noll.

Freshmen, sophomores, juniors and seniors all joined together in one big happy group with the united purpose of creating a book that attempted to give a truly representative record of all of the organizations and events at Noll.

The year began with an inexperienced crew who quickly blossomed into an efficient and dedicated staff of editors and assistants. VOLUNTEERS

Perhaps the most unheralded group of students at Bishop Noll are the volunteers of the Apostolic Program. These junior and senior students unselfishly give up two Saturday afternoons each month to journey to the Lake County Convalescent Home, where they visit and share happy moments with the aged and infirm. A by-product of the program is the great joy that the student experience through the sharing of love with the residents of the home.

SERVICE CLUB

The Service Club, sponsored by Mrs. Mary Michielsen is a group of junior and senior girls who volunteer their time and energy to work at school activities. The girls help to make events like the Dinner Dance, Style Show, and the Sports Banquet run smoothly. They spend hours setting up tables before these events, then run back and forth during dinner, refilling sugar bowls and creamers, and pouring thousands of cups of coffee. After the guests are gone, the servers stay on to clean up and put everything back in order.

Under the sponsorship of Mr. Cesar Queyquep, the Sophomore Math Club provides students the opportunity to delve into mathematics with more gusto than is required by the Mathematics Department.

Math Club members are unique in that they view mathematics as more than a school subject. To them, math is an art—an exciting and stimulating passtime.

The major project of the club is the annual Math Tourney for eighth grade students from area schools.

BAND AND CHORAL

Under the direction of Mr. James LaMantia, the band has contributed to the spirit and cultural background of B.N.I. The Pep Band gives support at pep rallies and games. The Show Band played the musical score of "Guys and Dolls", under the direction of Miss Patty Taylor. After summer drilling, the Marching Band produced effective formations at this season's football games.

Winter and Spring Concerts are performed by both the Concert Band and Concert Choir. Both concert groups also make an annual Spring Tour. The choir, directed by Father John Winterlin, has sung at an Ordination ceremony, Christmas Midnight Mass, and Baccalaureate Mass at Holy Angels Cathedral.

Both concert groups presented a winter tour to recruit incoming freshmen. Through the generosity of the B.N.I. Parents Club both groups are sporting new uniforms.

GIRLS IN SPORTS

When it comes to spirit and enthusiasm in sports, the girls of Noll are on a par with the boys. These girls have a love for sports and in their own way wish to "play the game".

The Majorettes are at the front of parades and lead half-time activities. Swim Guards, Trackettes, Mat Maids and Bat Girls assist the coaches by timing, measuring, and keeping statistics. They also write lineups and scoreboards. More important, the girls in sports add fire and excitement, and team spirit.

The GAA—Girls Athletic Association—affords the girls of Noll the opportunity to actively participate in a wide variety of sports.

VARSITY CLUB

The big blue "N" is the letter that each Varsity Club member earns through many months of grueling practice and competition.

The Varsity Club was organized to foster students' appreciation for the lettermen. Lettermen try to stimulate interest in athletic events. They wear their sweaters to classes on the days of sports contests; they check coats and serve as ushers, and direct traffic and parking for the fans who swarm to Noll's events.

The lettermen exhibit pride in their school, and their school exhibits great pride in them.

CHEERLEADERS

No athletic event is complete without the rousing performance of the cheerleaders. The excellence of their formation, cheers, and acrobatics are a result of long hours of dedication and hard work, not only during the school year, but also during summer vacations. All levels of the school are represented at games and pep rallies. It's the cheerleaders who set the pace for school spirit.

POM PONS AND BOOSTER CLUB

It's half-time and the B.N.I. Pom Pon squad is ready to do its thing.

Led by Miss McMahon and Miss Luketic, the Poms practice every day during Band class. The original routines are their own creations. The Poms perform in parades and tourneys and at home games during the school year. Although the Pom Pon's performances reflect a lot of hard work, their happy faces also show a lot of fun and excitement.

Whenever the Warriors need a boost, the Booster Club is there, ready, willing and able to provide it. The girls' enthusiasm and undying spirit adds an extra zest to the game. The girls are always on hand to cheer a little longer, yell a little louder, and to scream encouragement—in victory or defeat.

The philosophy of the Booster Club is that it takes a great cheering section to boost a great team.

STAGE CREWS

Behind the scenes at any theatrical event, there is a large group of talented people—unsung heroes and heroines—that never gets to take that well deserved bow. This group is the backbone of any show—the stage crew.

There are the groups that build the sets, work the lights, sweep the stage, hand out props, and pull the curtain. Then, there is the group that works the cosmetic miracles—the make-up crew.

These are the kids that made *Barefoot in the Park* and *Guys and Dolls* great shows to remember.

CROSS COUNTRY

Led by Coach Bobalik, the B.N.I. Cross Country team ended its season with an outstanding record of 14-2. Besides placing first in the First Catholic Invitational at Notre Dame, and second in the Lake Shore Conference, the Team distinguished itself with a lot of great individual achievements.

Mike Matusz and Darryl Hughes were All-Conference Cross Country selections. Matusz went 12.11.0 (2-½ miles) and broke the old school record 11 times during the season. Sophomore Joe Matusek set the J.V. two-mile time of 10.14. Senior Dan Starcevich holds the Noll Marathon record, and Darryl Hughes set the three-mile record. Mike Kavanaugh was the first Junior to go under 13:00 for the 2-½ mile run.

FOOTBALL

The key word to describe the 1974 edition of our Football Warriors is IMPROVED!

The team finished with an overall 8-2 record and won second place in Lake Shore Conference play.

Individual honors also distinguished the season. Wally Kasprzycki was named All American. Wally also joined his teammates in making a number of All Star teams. Kevin Matovina, Al Verbish, Steven Mitchell, Sonny Ramirez, Mike Knight, Brian Whiteside, Joe Angyus, and Wally Kasprzycki all brought special honors to Noll. Brian Whiteside rushed for a new B.N.I. yardage record by a single individual with the help of a great defensive line. The '74 team featured the fastest backfield in Warrior history.

Head Coach, Mr. Gerald Vlasic was assisted by Mr. Bob Sivulich and Mr. Don Sebestyen. Mr. Sebestyen also coached the Junior Varsity, while Mr. Cerajewski and Mr. Huegli shared the Freshman coaching duties.

MR. JAMES TONKOVICH. B.S. Eastern Illinois University. Physical Education. Head Swimming coach.

WRESTLING

It was a good season for Noll's matmen. The team, led by Coach, Bob Sivulich and Assistant Coach, Don Sebestyen finished the season with a respectable 9-3 record. The wrestling Warriors finished second in the IHSAA Sectional, and seventh in the Regional.

It was also a year of personal achievements. All American, Tony Dorin with an overall 25-2 record was first in Regionals and first in Sectionals. Andy Magana received an award for making the most sacrifices to benefit the team, and the Tom Ramker Award for the best all around Sportsman-Student-Wrestler was granted to junior Jim Schulien. Junior Kevin O'Neill was the most improved wrestler.

BASKETBALL

The 1974/1975 Hustling Warriors were the #1 defensive team in Indiana.

The team had a winning season compiling a 13-8 record and won the Hammond Holiday Tourney. The Warriors were rated the top defensive team in the state with a 47.6 opponent scoring average.

The varsity team was made up of a group of hard-working young men who gave 150% effort and scored victories over E.C. Washington, E.C. Roosevelt, Valporaiso, and Merrilville, and scored two victories each over Hammond Tech and Hammond Clark. In other games, the battling Warriors made their opponents struggle to the end, losing three games by one point and all of the others by less than nine.

This was coach Jerry King's first year at B.N.I. and he gave us a winner.

Coach Ron Luketic can be proud of the fine 13-5 showing of the Junior Varsity team.

Coach Huegli's Junior High teams showed a losing record but also showed fighting spirit—and promise for the future.

TRACK AND FIELD

Ed Sindicich displays proficiency in the shot put.

The 1975 "Running Warriors" took third in Sectionals and second place in the Indiana Lake Shore Conference Indoor Track meet.

Mike Kavanaugh set the Junior indoor record for the two mile run at 9 minutes 39.0 seconds. Joe Matusik and Greg Meyers set the Sophomore outdoor mile time at 4 minutes 37.2 seconds. Joe also set the Sophomore two-mile time of 9 minutes 58.8 seconds.

Senior Dave Tolin set the 440-yard dash record at 49.9 seconds. Outstanding Senior Mike Matusz set the outdoor two-mile time at 9 minutes 12.8 seconds. Senior Ted Pietrzak set the indoor school record in the high jump at 6 feet 0 inches. Bob Salinas set the Sophomore record in the shot put at 48 feet 6 inches.

Coach John Bobalik assisted by Co-Captains, Mike Matusz, Brian Whiteside, Darryl Hughes, and Dave Tolin did an excellent job of leading the '75 Running Warriors in an impressive season.

The Noll Track and Field team is another of the many examples of athletic excellence at a great school.

BASEBALL

The 1975 edition of the winning Warriors sported new uniforms—and the same old winning ways.

Coach Jim Anderson fielded a great group of hustling guys that made the diamond sparkle brightly with another happy season of good solid baseball.

The Warriors finished the '75 season with an overall record of 21 wins with only four losses. In the Lake Shore Conference competition, the Mighty Warriors won 13 and lost 3. This was good enough to make the Warriors Co-Champs with Hammond High.

Confidence was the key word as the Varsity team went into sectional play.

Noll also has a Junior Varsity team of which we are justly proud. The Junior Varsity team is led by Coach Jack Gabor.

INTRAMURAL BASKETBALL

1975 was a year of firsts at B.N.I., and a major first was the inception of the Intramural Basketball program.

The program was proposed by the students and supported by both administration and faculty, to provide more students with an opportunity to participate in athletic competition.

The program consisted of 16 teams organized into two leagues with 8 teams per league. Each team had the opportunity to compete in 7 regular season games, and in 4-round elimination tournaments. There were a total of 70 games played.

Much of the program's success can be attributed to the hard work of Mr. Pat Kalich and to the many faculty members who served as supervisors, referees, and timers. Mr. Bobalik, Mr. Furticella, Mr.Gabor, Mr. Huegli, Mr. Knesek, Mr. Mehok, Mr. Miller, Mr. Pressner, Mr. Sebestyen, and Mr. Vlasic all joined with Mr. Kalich and 16 great teams to make it a great season of Intramural play.

MGSSMERT's captured the first crown by defeating the GREAT WHITE HOPE, 48-36, in the championship game. We all look forward to another great season in '76.

PEP RALLIES

What's the biggest organization at B.N.I.? The entire student body, of course.

Before each big sports event, we converge on the fieldhouse, more than sixteen-hundred strong, to cheer the Warriors on to victory!

Student Council President, Terry Murphy leads the rally.

Flowers and a big hug for Homecoming Chairman Mary Bugajski.

The Pom Pons do their thing.

Mike Traczyk is the main ingredient in the "victory cake."

HOMECOMING

Homecoming is an event to remember.

During Spirit Week, students wore class colors and dressed for nostalgia days.

Festivities began on October 10 with a pep rally and parade through the main streets of East Chicago.

The mighty Warrior team scored a smashing victory over the Washington Senators, and happiness was the mood at the Homecoming Dance. The highlight of the dance was the crowning of "Mr. Touchdown", Kevin Matovina, by Homecoming Queen, Janice Fielding. All of this was arranged by Mary Bugajski.

FALL DRAMA

The Fall Drama is an annual event which offers all students at Noll an opportunity for dramatic training and personal enrichment.

In the tradition of good theatre, BNI students opened the season with the Neil Simon comedy, *Barefoot in the Park*. The production was directed by Miss Marilyn Popovich. Miss Popovich was assisted by Mr. and Mrs. William Berens and student director, Sue Korczak. The comedy had a cast of six and a production staff of seven.

TURNABOUT

In February, the Service Club, under the direction of Mrs. Mary Michielson, magically transformed the cafeteria into the Kingdom of Camelot.

Co-chairmen Nancy Poplas and Loretta Filas organized the medieval affair that featured torch lights, drawbridge, and Sherwood Forest.

Eve Machuca reigned at the dance with the members of her court, Cecilia Brtko, Paulette Giorgio, Cindy Hepp, and Nancy Poplas.

In short, "there was simply not a more congenial spot for happy-ever-aftering this year than Camelot."

Turnabout Queen, Eve Machuca with escort Ernest Gomez.

TALENT SHOW

The biggest project taken on by the Human Relations Club this year was the annual Talent Show. The production, featured musicians, dancers, singers, and a fashion show. The show was sponsored by Mrs. Patricia McGregor.

The purpose of the Talent Show is to provide a showcase for the many talented students of B.N.I.

MARDI GRAS

Once again, the annual event known as Mardi Gras was a rousing success. "Circus 75" was created by Mission Club sponsor, Father Joseph Mosko, with the aid of the well organized committee consisting of class representatives and co-chairmen under the leadership of General Chairman, John Knazur.

The end result was enjoyment and fun for all ages. But more important, the financial success of Mardi Gras will enable the Mission Club to do more for the needy.

We had clowns.

We had big clowns and little clowns.

Sirrilla Blackman was a big winner.

SWEETHEART BALL

On a cool April evening, B.N.I.'s cafeteria rocked and hopped when the HI-Y's fourth annual Sweetheart Ball got under way.

More than one-hundred ladies and their escorts "bumped", "watergated", and "electric-twisted" throughout the exciting evening. Music was provided by Back Stabbers Inc.

Sharman Evans was this year's Sweetheart Queen, and her court included Renalta Wallace, and Deardra Green. 1974 Sweetheart Queen, Clotill Coley was escorted by HI-Y President, Benard Taylor.

This year, B.N.I.'s Concert Band and Concert Choir have spread a lot of musical pleasure.

PROM

This year's prom, Precious and Few, was held at Chicago's Sheraton-Blackstone hotel. Music was provided by two bands, Returns and Quorum.

The success of the glamourous evening event is due to a lot of hard work done by Mr. Jim Pressner, the sponsor and by the General Prom Chairmen, Nancy Bazan, Ed Godlewski, and Barb Penkala.

1875-1975

In memory of the 100th Birthday of Archbishop–Bishop John Francis Noll, D.D., who gave his name to our beloved Institute.

BACCALAUREATE

It was with a feeling of great awe that the graduates filed into the beautiful Holy Angels Cathedral. It was Baccalaureate—the first of the graduation ceremonies. The Mass was concelebrated by Bishop Andrew Grutka, Reverend George M. Vrabely, and the priests of the faculty of Bishop Noll.

Reverend John Winterlin directed the Concert Choir of Bishop Noll Institute.

GRADUATION 1975

The class of 1975 was a great class. It was a class that was constantly aware of its responsibility. It was a class that brought a number of special honors to Bishop Noll. It was a class that earned the respect of the entire Noll community. And, it was a class that will be happily remembered and sadly missed.

FROM THE EDITOR . . .

This is it, the '75 edition of the Marquette, the book which—without you—wouldn't be possible. Memories and activities were captured on these pages because of the hard working team of Mr. Joseph Malczak and the Yearbook Gang.

The Marquette owes many thanks to Mr. George Kingsley, our Paragon Press representative, who has devoted his time in aiding a once totally inexperienced staff. Also, I would like to express my thanks to Root Photographers for coming to our rescue when we needed help in meeting deadlines.

I would like to thank a cooperative administration and faculty for their help with student records and assistance when we needed it the most.

There was a combined effort of students on all class levels which made this truly memorable book representative of the entire Noll community.

High School is a waste of time . . .

. . . unless you find a job that turns you on and makes good use of your education. Inland Steel wants only people who want to use everything they've learned in high school--and strongly desire to grow personally and in their chosen field.

Inland's future growth depends on the creativity and productivity of its people. If you want a really challenging opportunity to contribute--with the rewards and responsibilities that go with it--Inland wants to talk to you.

INLAND STEEL COMPANY

We need action-seeking graduates for opportunities in clerical . . . production . . . technical . . . and craft apprenticeship areas.

Think it over. If you have high aspirations and a good high school record, take time to find out about a career with us.
